

Week 6

Quantum Computing

How the Midterm works - Fall 2023

Nella Ludlow, PhD
Wright State University

Midterm Info

- ▶ No new material this week
- ▶ Midterm covers ALL material from weeks 1 to 5
- ▶ The midterm this semester is Thursday, October 5th
- ▶ It will be ONLINE
- ▶ And must be taken sometime that day
- ▶ The exam lasts 80 minutes long
 - ▶ If you are accommodations, please contact Lead GTA Alex Groeger
- ▶ Since the exam is timed, don't spend too much time on any one question
- ▶ Do your own work - you must be able to explain how you arrived at an answer
- ▶ Open notes and open materials
- ▶ Communicating with others during the exam is considering a violation of academic integrity.

Good Luck

- ▶ It is possible everyone in the class can receive an A.
- ▶ Our goal is not to ask trick questions
- ▶ Typically students do better with this material as the semester progresses.
- ▶ I wish you good luck!!
