Midterm 1

Instructions and Link

Nella Ludlow, PhD

01 October 2026

Midterm - Instructions

- ▶ Open Book, Open Notes, Open Internet
- ▶ You may use Calculator or IBM Quantum Composer
- ▶ You cannot receive help from anyone, Do not Communicate with others about the exam until Friday (Any time during Thursday students can take this exam)
- ▶ Do not try to cheat as this software has caught students helping each other - I don't want to have to initiate that academic integrity process! Seriously, there is always one or two who think the software won't catch them and it does.
- ▶ Test must be Started sometime Thursday 01 October 2026 from 0000 to 2355.
- ▶ You may start anytime, but it is TIMED.
- ▶ You have 75 minutes, and 33 Qs, you won't have time to look everything up
- ▶ So don't spend too much time on any one question
- ▶ If you don't see the correct answer, pick the best answer.
- ▶ Grades emailed on Saturday - Auto Graded
- ▶ Do your best and Good Luck!
